Sir:

In response to the requirements and rejections contained in the Office Action dated
September 12, 2005, reexamination and reconsideration are requested.

Attached hereto please find a supplemental declaration in reissue. In the Office Action,
the Examiner required a supplemental reissue declaration and rejected all of claims 1-25 based
upon a defective reissue declaration. However, in accordance with the Examiner's further
indication, the attached declaration overcomes the rejection as it includes the language required
by the Examiner.
